Dr. Udin has produced a practice clinic of a very high professional and technical standard. One of his several attributes is the caring way he handles the patient and his ability to communicate exactly what he is about to perform and the outcome from a procedure. The recent crown work he carried out for me is of such a high standard and greatly assisted by his affiliate company, JW Meek Dental Laboratories, whose expertise must be second to none in the London area.

I have no compunction in highly recommending Dr. Udin at the Hermitage Clinic for routine and specialist dental procedures.

Testimonial for Dr Uddin (Hermitage Clinic)

I am highly satisfied with the first class treatment I have received from Dr Uddin. Dr Uddin was extremely professional and delivered well; he took a lot of pride and time in reconstructing my bridges which produced phenomenal results. The quality of workmanship was amazing and the appointment was based around my busy life style which was an added bonus. Dr Uddin explained all the options and advantages and disadvantage before treatment. He has an amazing ability to make me feel comfortable with any dental procedure. Hermitage Clinic provides a balance between a contemporary yet calm environment; the clinic is a centre of excellence. I would strongly recommend Dr Uddin as he is one of the best Dentists I have ever been treated by.

I have been a patient of Dr. Uddin for about 2 years. During that time he has done routine checks on my teeth as well as carrying out work on them. This has included scaling, filling some of them, root canal treatment on one of them and the provision of a bridge containing 6 crowns. I have been impressed with the results of his work.

At all times he has been punctual, courteous and efficient and I commend him to anyone seeking excellent dental attention.

Yours faithfully,

Dear Dr Uddin,

" I am delighted with the dental treatment I have received from Dr Uddin - and therefore brought the rest of my family to be under his care. The Hermitage clinic is modern and well equipped. Dr Uddin is caring, gentle and highly professional. He always responds promptly to urgent requirements when these arise. The clinic's opening times are very convenient for patients with busy timetable, and the treatment charges are reasonable too. Highly recommended.

Mr B., London. "

To whom it may concern

I have recently undergone cosmetic dentistry at the Hermitage Clinic under Dr M K Uddins care.

The service I received was extremely professional and nothing was too much trouble for Dr Uddin. I received a high standard of care and expertise and my appointment times were always accomodated around my choices and my preferences, these being evenings and weekends.

I am very impressed with the results that Dr Uddin achieved and the aftercare and maintainace package offered to me. I will certainly recommend Dr Uddin and the Hermitage Clinic to friends.

I would like to thank you very much for treating my teeth. The end result was amazing and better then I expected. I was surprised that there was not that much pain after the procedure. Dr ~~W~~ Uddin:- was very thoughtful and gentle, as well as thorough. He took the time to explain things which not all dentists do. He works very flexible hours which is most welcome! My mother thinks he's wonderful! And she intends to stay with him.
